## The Big Day

Play on an Open regional qualifying course and experience Wildernesse - *'Arguably the finest inland Course in the County'*.

After a bacon roll and coffee, the shotgun start for the fourball team stableford will set the day competitively on its way.

There will be a range of prizes, not just for the winners but those achieving the longest drive and closest to the pin.

A buffet lunch on completion of this challenging course, the prize giving, grand raffle and auction round off what is always a very enjoyable day.

Bradbourne Group Riding for the Disabled (RDA) provides the opportunity for therapy, achievement and enjoyment to people with disabilities through riding and carriage driving.

We are a community of one hundred and thirty volunteers specifically trained to ensure that our activities are carried out in a professional, safe, friendly and fun environment.

Thanks to your help and generosity at our last Golf day we were able to purchase and train Disney, shown here providing an enjoyable and stimulating driving experience for one of our visually impaired drivers.

The price per team of 4 is £400 and includes green fees, breakfast and lunch.

**This year we need to invest in two new ponies for riding. New horses to succeed those nearing retirement, along with tack and other equipment, will make a real difference to our riders and ensure we can offer a place to some of those people on our waiting list.**
