

BRADBOURNE RDA

2018 KNOLE PARK FUNDRAISING RIDE

Here are some of the comments we've received from this year's riders, who had a great time thanks to our wonderful volunteers.

I would just like to thank Debbie and Bradbourne RDA for organizing an amazing ride at Knole Park on Saturday.

Both myself and my sister Ginny had the most fantastic day riding in this beautiful park. The weather was absolutely glorious for October making the park look even more wonderful with the autumn leaves.

The ride was so well organized, with plenty of lovely, friendly stewards all along the ride, making sure all the riders were safe. The highlight of my ride was the long gallop in the park, I haven't been that fast for a long time, even though my horse is now 25!

Thanks again for a brilliant day and that this ride is one not to be missed. Can't wait to do it next year.

I hope that you raised a huge sum for the RDA.

Thank you as always for such a wonderful and well organised event! All of us that took part had a fabulous time. A big thank you to you and all your wonderful and very smiley volunteers. Many thanks for all your hard work.

I have taken part in a lot of sponsored rides, but none of them anywhere near as well organised as your Knole Ride! As you say, without the volunteers (so many of them) this wouldn't have been possible, hence why I made a point of thanking them as I rode round. It was a truly magical ride, I will definitely be signing up next year!

Thank YOU so much for organising it. And, thanks to all the volunteers for giving up their valuable time.

We had a fabulous time thank you all. Could I be informed when next years entries are available please?

We had a lovely morning thank you my first time, looking forward to next year, and for helping such a worthy charity.

We had such a lovely time, having taken part for many years. It is a highlight for us - and we always try to wait to book our half term break once we know the date for that years Knole ride!! It is so well organised and all the stewards are so friendly and enthusiastic. My daughter and her friends rode together and had a fab time and myself and my friend went on a slightly more sedate adventure!! But a fab time had by all so thank you very much.

The Knole Park ride is such a friendly and very well run event. This year was the second time I have done the ride and it was fantastic once again. There are lots of stewards to guide you

round the park and everyone was so helpful. Very well done to the organisers and volunteers - it's a lovely way to spend a day with your horse in such a beautiful setting.

Thank u Debbie had an amazing Ride.

Hello thank for such a fab day, it was so well organised and everyone was so friendly and happy, I loved every moment of it, the gallop was amazing, it was by far my favourite ride - loved it xx
Again many thanks.

A lovely ride as always. Unfortunately my horse got a bit upset about doing the ride on his own (his usual companion is off due to injury). Thankfully, fairly soon after the start, 2 nice ladies saw my predicament and invited me to tag along with them. I eagerly accepted, unaware that they were both hunting folk and used to "cracking on"! Not a problem as far as my horse was concerned but a bit of a shock to me! I've never gone up the gallops so fast!!! The whole ride was over in a blur with not much time to take in the scenery, but new friends were made and a great time had by us all! Many thanks to all the organisers and helpers for making this event possible. As I said to one of the stewards (at the end of the long gallop), I'm sure grown-ups aren't meant to have so much fun!

It really is my favourite ride. Beautiful surroundings. Really well stewarded. This year sunshine too. This is my 4th year doing ride and every time it's even better than the last if that's possible. Thank you to you and all your helpers.
I will be booking soon as entrances start.

It was a fantastic day, in every way! We were a group of 5 from Saddles Riding Centre and have never experienced anything like it. We are just hoping that Saddles (Bexley) organise it for us to attend next year. It is amazing for riding school clients to experience a chance like this. Everyone we met, other riders and marshals and organisers were so cheery and polite. Thank you so much.

The ride was fabulous. We and our trusty steeds all enjoyed themselves. Yes to next year please and thank you to all the smiling volunteers.

So glad I braved the bridge as the weather turned out to be perfect. Thoroughly enjoyed my day and look forward to seeing you all next year. P.S I do rides all the time and yours is by far the best organised - well done.

As always we all had a fantastic time! Thank you for the amazing organisation and the big smiles and friendliness of all the volunteers who made this event such a fantastic one. I really love this ride, already can't wait for next year! Thank you all so much for all your hard work.
