The Course

Please note - route change for 2019. Riders have the choice of taking an approximate 12km route which includes traversing part of the canter track twice, or a slightly shorter route, once along part of the canter track and a pleasant circular walking path through the woods. Stewards will be placed at strategic points along the course to guide riders along their chosen route. A map showing the new routes is attached to this email and can also be found on our website <http://www.bradbourne-rda.org.uk/>

Riding in Knole Park is not permitted at any other time, except by permission of Knole Estate.

Deer roam free in Knole Park; please be aware and avoid disturbing them. Members of the public will be using the park so please be alert and take all safety precautions. Dogs must be kept on a lead at **all times** anywhere on the course.

Walk Only. Some sections of the ride are Walk Only. This rule **must** be respected.

Canter Sections. The course includes a faster, open section that has the option of repeating twice. Please note that although rider start times are staggered, due to the difference in individual speed there may be several horses on this section at any one time. Participants must ride with due care and attention at all times and pass other riders safely and considerately, especially those moving at a slower pace

Stewards' instructions must be obeyed at all times. Stewards' decisions are final.

Health and Safety. It is the responsibility of all entrants to wear a correctly fitted and secured hard hat conforming to current British standards. Qualified first-aiders and an ambulance will be in attendance at the event until the last rider has completed the course and stewards will be in mobile phone contact with the ride organisers. Leading from another horse is not permitted. Any children taking part who are **under the age of 16** must be accompanied on the ride by a responsible adult.

Insurance. We **strongly advise** all riders to have their own Public Liability insurance.

Inspection. Horses will be inspected for loose shoes and general soundness, and inspection is a condition of entry. The decision of the inspecting officer will be adhered to and is final.

Water. There is **no water at Redlands** so participants should bring their own water.

Refunds. Entry fees will only be refunded on production of a vet's or doctor's certificate. If you are unable to ride you can gift or sell your vacated space to another rider – please note that it is up to the original rider to organise any changes. Please ensure that any new rider details are passed to the entry secretary **before** the event takes place.

Procedures. On arrival, please report to the entry secretary with your confirmation card before you collect your number bib, for which a £5 fully refundable deposit will be payable. You may proceed to the inspection area and, if approved, on to the start at your allotted time. After the ride, please return your number bib and collect your bib deposit and rosette.

Entries on the day. The number of entries is strictly limited, we regret that we will not be able to accept entries on the day.

Disclaimer. No responsibility will be accepted by the Trustees of Bradbourne Group Riding for the Disabled Association, the organisers, the landowners, or persons acting on their behalf for any accident or injury or for any damage to or loss of property suffered by participants or by any member of the public or by others in attendance.
