Conditions of Riding (Individual riders)

Registration

All riders must complete a registration form before riding is permitted. This is a condition of our insurance. All sections must be completed.

It is the responsibility of the rider or their carer/parent/guardian to advise of any changes to the information on the registration form. We reserve the right to ask for a new form to be completed if we are concerned about any aspect of a rider's health in so far as it affects their riding.

Our weight limit is currently 12 stone 7lbs / 79 kilos and all riders will be regularly reviewed. We reserve the right to ask a rider to cease riding if their weight increases above our weight limit.

Each rider must advise us of a person who is their main point of contact regarding riding matters. This will help us all to communicate efficiently and effectively. Please keep us advised of any changes to the contact details (name, mobile numbers address etc.) otherwise you may not receive important communications.

If you have any questions or concerns about your riding please raise these with the instructor in charge of the session at the time.

Vacancies/Waiting List

We have a large waiting list.

Allocations of places for riding are dependent upon the individual, their standard of riding and a suitable pony being available.

We regret that places on a ride cannot be guaranteed when transferring from junior to senior school rides or when changing riding times. We will, however, do everything we can to accommodate such requests.

Payment

All rides are payable at the time of riding or per half term (approx. 6 weeks) in advance.

Payment can be made electronically – please ask for details.

We regret that the RDA Group (a registered charity) cannot provide credit.

If we have to cancel riding sessions credit will be given to those who pay in advance.

Otherwise credit will not be given for absentees unless there are extenuating circumstances.

Cancellations

Our Contact Number is 07914 273610.

We require 48 hours' notice to cancel a lesson and we reserve the right to charge for late cancellations. All cancellations are to be advised to us by telephoning 07914 273610.

Please do NOT advise us by email as this is not always monitored on a daily basis.

A half term's (approx. 6 weeks) notice in writing is required to terminate all future riding lessons. Otherwise we reserve the right to make a charge until we can fill the vacancy.

We will endeavour to give you as much notice as possible if we need to cancel a ride for any reason. We will contact the person designated as the main point of contact in such circumstances.

Timeliness

We ask that riders arrive at least 10 minutes before their ride begins to allow for hat fitting etc.

If you are late we cannot ordinarily make the time up.

If we are late for whatever reason we will endeavour to make up the time for you.
