

17/03/2020

We have just received notification from Ed Bracher, Chief Executive of RDA UK, advising RDA Groups which are still open to close and suspend activities following the Government announcements yesterday relating to measures to curb the spread of Coronavirus.

It is with great sadness that we have to make this decision, but given the nature of our operations and those for whom we provide riding and carriage driving opportunities we cannot adhere to social distancing rules while providing safe rides and carriage drives.

Bradbourne RDA Group is therefore suspending all operations with immediate effect and until further notice, though definitely up to Easter.

The National Championships in Hartpury and all Regional Qualifying events have been cancelled this year.

As soon as we have clarification over timings for re-opening Bradbourne RDA Group and other updates we will provide these to you.

Thank you for your ongoing help and support.

Keep safe.

*Bradbourne RDA*
