

Name: Virtual Easter Balloon Race

Dates: 12pm midday 31st March until 7th April

Location: Mexico . . . then who knows where!

Link to sign-up: <https://shorturl.at/psFHV>

Join our virtual Easter balloon race to raise funds for Bradbourne RDA. Buy and design your balloon, then sit back and watch as it races from Mexico!

You'll be blown away by how simple it is to get involved:

- 1) Buy a balloon or gift one to a friend for £3 each – you'll be asked to create an account so they know who each balloon belongs to
- 2) Decorate your balloon and change its flight parameters
- 3) Sit back and watch your balloon as it races from Mexico

The race starts at 12pm midday 31st March 2024, and runs for 7 days. How far will your balloon travel? You're in with the chance of winning £100 as first prize and an Amazon Echo Dot as second prize.

Each balloon costs just £3 and you can buy as many balloons as you want to increase your chances of winning, and of course, indirectly donating more to Bradbourne RDA.

Ecoracing is an internet based, virtual balloon race that uses real weather data and interactive mapping for real-time flight path tracking. No wildlife is harmed, climate change isn't affected and there's no litter!

Once the race has launched you won't be able to decorate your balloon again, change the parameters or buy new balloons so do make sure you're signed-up before the launch date.

Please share and invite your family and friends to join our balloon race. We can't wait to see this take off and fill the sky with Bradbourne RDA balloons!

Scan the QR code above or visit <https://shorturl.at/psFHV> to buy your first balloon.
