

COULD YOU BE THE GRANTS & TRUSTS FUNDRAISER WE NEED?

Do you have a proven track record of successful trusts and foundations fundraising, and knowledge of relevant regulations?

Or are you a strong and persuasive copy writer looking to develop your skills in a new sector?

Can you build relationships through great communications?

WE NEED YOU!

Bradbourne Riding for the Disabled Group, Sevenoaks, provides disabled children and adults with the opportunity for enjoyment, therapy and achievement through horse riding, carriage driving and time with ponies. The Group is run entirely by volunteers who help disabled children and adults to reach therapeutic goals, combat social isolation, develop life skills, and experience the outdoors.

Our therapy and services depend on our financial resilience.

Your role as the Trusts and Grants Fundraising Volunteer will be to work closely with our Trustee leading on fundraising to help us implement our strategy, achieve our target levels of funding, and ensure we have monies for our core running costs plus projects for 2024/25 and beyond.

This is a rewarding opportunity to get involved in the ongoing development of Bradbourne RDA, and to play an important role in helping generate income and build a pipeline of new funding opportunities to continue to make a difference to the lives of local disabled people. No knowledge of the RDA required.
